**SUBJECT: Project LCCASSOCK, Amendment No. 2 and FY 1959 Renewal**

**1. PURPOSE**

To maintain pro-Western attitudes and to encourage popular resistance to the spread of Communist philosophies among the people of the target area.

**2. BACKGROUND**

a. Project LCCASSOCK was originally approved in February 1954 to support an indigenous, ostensibly profit-making, private enterprise which produces and disseminates to the target populace various types of anti-Communist literature. This material consists of periodic publications, reprints of documentary matter and letters targetted at specific professional groups.

b. Although every effort has been made to reduce costs in this operation to conform with the reduced amount programmed for FY 1959, it is evident that the effectiveness and level of the project operation cannot be maintained without additional funds being authorized.

c. The maintenance of this propaganda instrumentality at its past level is particularly pertinent in view of the current critical political situation in the target area. Funds for this increase are available within the current budget allocation to the EE Division.

**3. PROPOSAL**

It is proposed that Amendment No. 2 to Project LCCASSOCK in the amount of \$       be approved, increasing the project's authorization from \$       to \$      , and renewing the project for FY 1959, to provide support for the propaganda operations outlined above.

**4. ACTION**

At the request of the Deputy Director (Plans) this action is being effected by lateral vote without a formal meeting of the Project Review Committee.
